

Trustmark Critical Illness Insurance (Cancer Only)

Providing a financial cushion for when you need it most.

Helping pay for what health insurance doesn't

A serious illness can be hard on more than just your health: it can threaten you and your family's **financial stability**. Even with medical insurance, you may have out-of-pocket payments and other **new major expenses**. You might even have less income to cover these costs.

Critical Illness insurance for cancer can help.

Critical Illness insurance pays a **lump sum of cash** directly to you when you are diagnosed with a covered illness – use it for whatever you need.

With Critical Illness insurance for cancer, if you are affected by a major illness, you can **focus on your health** with less worry about your wallet.

Critical Illness for Cancer sample rates

Sample ranges of weekly rates for employee-only, non-tobacco coverage. Your exact rate may depend on additional features selected by you and/or by your employer.

Age at purchase	\$15,000 policy
30	\$3.00*
40	from \$3.00* – \$3.24
50	from \$4.16 – \$4.88

*Sample base rates are shown for illustrative purposes only. Rates may vary by age, tobacco use, state, employer and features selected by you and/or by your employer. An application for insurance must be completed to obtain coverage. *Minimum weekly premium is \$3. Benefit will be adjusted up if \$3 purchases more than \$15,000 in benefit.*

Note: once you have a policy, your rates will not increase due to age.

Coverage for various cancers

Trustmark Critical Illness insurance for cancer pays a lump-sum benefit if you are diagnosed¹ with **any covered type of cancer**²:

- Invasive cancer (excludes most skin cancer)
- Carcinoma in situ (at 25% benefit)³

Benefits can help you pay for:

Medical deductibles and co-pays

Credit card bills

Out-of-network or alternative treatment

Rent or mortgage payments

Child care

Travel to treatment

Tuition and loans

¹Most states define eligibility as first diagnosis, meaning the first time a physician identifies a covered condition from its signs or symptoms. If you've been diagnosed with a covered condition prior to having coverage, you may not be eligible for a benefit. ²Please consult your policy/group certificate for specific covered conditions. ³If the insured receives the 25% benefit for carcinoma in situ, the remaining benefit will be available for a diagnosis of another covered condition. Most skin cancer is excluded.

In the United States, more than **1.5 million people** get cancer each year.⁴

More than a **quarter of adults in the U.S.** say health care costs have caused them a serious financial problem in the last two years.⁵

Additional advantages

- **Access to medical experts.** Critical Illness includes access to **Best Doctors®**, the network of top doctors in the world, for free medical advice, second opinions, critical care support and more.
- **Keep your coverage** at the same price and benefits if you change jobs or retire.
- **Apply for coverage for family members:** spouse, children and dependent grandchildren.

Pre-existing condition limitation

No benefit will be paid for any condition caused by or resulting from a pre-existing condition.

More flexible features

- **A health screening benefit** will pay the cost of **one screening test per year** (\$100 maximum.) Some of the many eligible tests include:
 - Low-dose mammography
 - Pap smear (women 18+)
 - Serum cholesterol
 - Prostate-specific antigen
 - Stress test
 - Colonoscopy
 - Chest X-ray
 - Bone marrow test

Plus: grow your benefit with EZ Value

The EZ Value option can automatically **increase your benefit amount** over time – without any medical questions.

Example is for age 40, employee only, non-tobacco coverage, with no additional features. Actual values will vary by age, tobacco status and benefits selected.

**You care.
We listen.**

This is a brief description of benefits under CACI-82001 and applicable riders HS-12000, WP-12000 and EZ-12000R. This critical illness/specified disease insurance policy/group certificate provides supplemental health insurance coverage, which pays a limited, lump-sum benefit for specified diseases only. It is not a substitute for medical expense insurance, major medical expense insurance or a health benefit plan alternative. It does not provide comprehensive medical coverage. It is not intended to pay all medical costs associated with the specified diseases and is not designed to provide coverage for other medical conditions or illnesses. It is also not a Medicare Supplement policy, nor is it a policy of worker's compensation. Please refer to your policy/group certificate and outline of coverage, if applicable, for complete information. Limitations on pre-existing conditions may apply. A waiting period may apply before benefits are payable. Benefits, definitions, exclusions, form numbers and limitations may vary by state. For costs and coverage detail, including exclusions, limitations and terms, see your agent or write the company. Underwriting conditions may vary, and determine eligibility for the offer of insurance. For exclusions and limitations that may apply in Kansas, visit www.trustmarksolutions.com/disclosures/CI/.

⁴"Cancer Facts & Figures 2017," American Cancer Society. ⁵"Medical Bills Still Take a Big Toll, Even with Insurance." NPR. March 8, 2016. ⁷An A.M. Best rating is an independent opinion of an insurer's financial strength and ability to meet its ongoing insurance policy and contract obligations. Trustmark is rated A- (4th out of 16 possible ratings ranging from A++ to Suspended).
